

Homework Grid
Topic: Sports Media

September to Dec 2018

Multiple Intelligences	HOMEWORK GRID:					
	easiest  hardest					
	Remembering	Understanding	Applying	Analysing	Evaluating	Creating
Verbal I enjoy reading, writing & speaking	Create a brochure describing 5 different positive effects of media on sport		Write 3 fact files about how media has had a positive effect on sport (use 3 different sports)		Evaluate the coverage of one sports story by media outlets. Discuss the feature of the coverage, aspects which may have influenced it, comparisons of the coverage which will allow for an overall judgement of the appropriateness of the story	
Mathematical I enjoy working with numbers & science	Pick a professional sports match of your choice and try to find 10 different types of media coverage of the match. Make a note of your findings		Using a variety of sources read 20 sports articles and tally them into whether they are positive or negative sports media stories/articles		Create a survey which asks questions related to how people access sport. Then find out the top three means of accessing sport	
Visual I enjoy painting, drawing & visualizing	Design a poster highlighting possible negative effects of media in sport		Create a video that discusses high profile stories where the media has had a negative impact on an athlete (3 or more)		Create a large poster that evaluates how aspects of the media can influence the coverage of sport	
Kinaesthetic I enjoy doing hands-on activities	Show your parent/carer a media story and discuss the impact that it had on the athlete, makes notes on their thoughts		Create a video/audio file of your own post match analysis of a professional match of your choice		Write/present your own match report evaluating the performance of players from a professional match of your choice	
Musical I enjoy making & Listening to music	Write and perform a rap about ways in which sport can be published by the media		Create and record a video that highlights both the positive and negative sides to media in sport		Create a musical performance that shows 5 famous media events from different sports (For example the Hand of God goal in football)	

Choose one activity per week to complete and hand in to your sports studies teacher
