A diagram of a bass guitar fretboard with four strings and 12 frets. The strings are represented by horizontal lines, with the bottom string being the thickest. Vertical lines represent frets. The diagram shows a sequence of notes: the 2nd fret on the 3rd string, the 3rd fret on the 2nd string, and the 3rd fret on the 1st string. Below the fretboard, there are four black numbers: 4, 4, 4, 4, positioned under the 2nd, 3rd, 4th, and 5th frets respectively. Above the fretboard, there are two horizontal lines: one starting at the 2nd fret and ending at the 5th fret, and another starting at the 5th fret and ending at the 12th fret. Pink numbers 2, 3, 3 are placed above the fretboard to indicate fingerings: a '2' above the 2nd fret on the 3rd string, a '3' above the 3rd fret on the 2nd string, and two '3's above the 3rd fret on the 1st string.
