

2021-21 A Level / BTEC Option Blocks (Provisional)

The following shows the range of A level and BTEC courses offered at Post-16. These courses run in partnership with our Post-16 partners at Tor Bridge High, Lipson Cooperative Academy and Eggbuckland Community College. This is a long standing partnership which allows Post-16 students a wider range of options and courses to meet their needs and aspirations.

Please note: Students will need to choose three A level/BTEC courses from separate columns.

Students can request a call back from a member of the sixth form team to discuss their Post-16 options by emailing sixthformadmin@sjhcsc.co.uk.

	Block A	Block B	Block C	Block D	Block E
	Applied Science (S)	Performing Arts	Art	Creative Media	Music / Rockscool
	Biology	Photography	Chemistry	French	
	English	Physics	History	Geogrpahy	
	Sport (T)	Psychology	Health & Social Care BTEC	Maths

	Chemistry	Biology	Health & Social Care	Physics	
	Food Science	Maths	Spanish	Sociology	
	Psychology	Music (BTEC)	Sports Studies BTEC (D)	Sports Studies BTEC (S)	

All BTEC courses are considered 'equivalents' to A level courses. The sixth form team will be able to advise you if there are specific courses you require for certain University applications, career pathways or employment routes.

Where students choose a Double BTEC course (those with a 'D' next to them) will also need to choose the Single (S) BTEC course. This will give students a double award which counts as two qualifications.
