

Unit 201 - Music Knowledge - Pop or Rock

- a) The factors that influenced the creation of the style of music – You must consider the economic/political/social climate at the time the styles came about.
- b) The significant artists/bands/producers that contributed to the style.
- c) The important recordings/performances/events that accurately relate to the style.
- d) The imagery and fashion associated with the style – examples such as album covers, associated artwork, the artists/bands/fans clothing, accessories and stage appearance.

In your Powerpoint, you should have addressed all of the points above:

- Q1:** Do you have at least one slide which deals with economic factors which led to the creation of Pop and Rock?
- Q2:** Do you have at least one slide which deals with Political factors which led to the creation of Pop and Rock?
- Q3:** Do you have at least one slide which deals with the social climate factors which led to the creation of Pop and Rock? (The rise of the teenager)
- Q4:** Do you have slides which deal with significant bands/artists/producers?
- Q5:** Do you have slides which deal with important recordings/performances/events that accurately relate to the style of Pop or Rock?
- Q6: Do you have slides which focus on Imagery & Fashion:**
1. Examples of album covers, annotated by you
 2. Artists/bands/fans clothing and accessories, annotated by you
 3. Stage appearance - examples of the stage show, annotated by you

Unit 201 - Music Knowledge - Hip Hop

- a) The factors that influenced the creation of the style of music – You must consider the economic/political/social climate at the time the styles came about.
- b) The significant artists/bands/producers that contributed to the style.
- c) The important recordings/performances/events that accurately relate to the style.
- d) The imagery and fashion associated with the style – examples such as album covers, associated artwork, the artists/bands/fans clothing, accessories and stage appearance.

In your Powerpoint, you should have addressed all of the points above:

- Q1:** Do you have at least one slide which deals with economic factors which led to the creation of Hip Hop?
- Q2:** Do you have at least one slide which deals with Political factors which led to the creation of Hip Hop?
- Q3:** Do you have at least one slide which deals with the social climate factors which led to the creation of Hip Hop?
- Q4:** Do you have slides which deal with significant bands/artists/producers?
- Q5:** Do you have slides which deal with important recordings/performances/events that accurately relate to the style of Hip Hop?
- Q6: Do you have slides which focus on Imagery & Fashion:**
1. Examples of album covers, annotated by you
 2. Artists/bands/fans clothing and accessories, annotated by you
 3. Stage appearance - examples of the stage show, annotated by you

Next step: Combine your Pop or Rock powerpoint with your previously completed Hip Hop one.

This detailed presentation should enable you to comprehensively describe the contrasting characteristics of the 2 styles.

Presentation: You will present your presentation (on your own) after school. It must not exceed 10 minutes in length.
