When your legs don't work like they used to before
And I can't sweep you off of your feet
Will your mouth still remember the taste of my love?

And, darling, I will be loving you 'til we're 70
And, baby, my heart could still fall as hard at 23
And I'm thinking 'bout how…

**So honey now
Take me into your loving arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
I'm thinking out loud**
