

Instructions for Task 1: Reviewing the 15 poems:

- 1. Look at the file names 'summaries of poems and helpful terminology' in the Task 1 folder. This will give an overview for each poem and remind you about the content of each poem. Read this carefully and then look at / highlight / write down any academic vocabulary / key words that you think are important or will help you when writing an essay.**
- 2. Find the power point called 'Reviewing Poems', complete the retrieval quiz at the start of the power point then follow the instructions on the power point and complete the tasks as directed up to and including the consolidation tasks on the final slide.**
