Near or Far, Big or Small!

Draw things that matter to you.

Draw something small that matters to you...

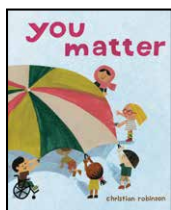

Draw something far away...

Draw something you can hear...

Draw something you feel...

you matter

The Big Things

Mosquitos matter, even when they're being pests.
Draw a dinosaur for this one to bite!

The Little Things

What can you see through a microscope?
Draw something very, very small.

When Home is Far Away...

Imagine you're flying in a rocketship.
Draw what you might see out your window!
